

## FIRST GRADE SUMMER READING 2018

Choose a few selections from each category to read to your child. After completing the summer reading, please have your child make a booklet about his/her favorite stories and rhymes. On the first page write the title of the favorite poem or rhyme and draw a picture to illustrate it. On page two write the title of the favorite animal story and illustrate it. On page three write your favorite make-believe story title and illustrate it. Staple or fasten the three pages together to make the booklet. Please have your child bring the booklet on the first day of school. During the first week of school our students will have an opportunity to share these booklets with us.
