

**FOURTH GRADE  
SUMMER READING 2018**

*This summer I'd like you to read the required book, and select at least one more book from the attached 4th grade list. You will have a fun assignment to complete for each book. – Mrs. Cousino*

1. After reading the required book, *The Miraculous Journey of Edward Tulane* by Kate DiCamillo, create a map of his journey from the beginning of the story to the end. At each stop, write a few sentences describing the “life lesson” he might have learned from this person, place, or experience. Be creative! We’ll share our maps during the first week of school. I can’t wait to see what you come up with!
2. Select one other book from the list below. Each of these books will give you a little taste of Texas history! After you complete the book, compile a “top ten” list sharing the ten most interesting things you learned as you read. Have a wonderful summer, and I look forward to seeing you in August!
